This complimentary program will address current wage and hour "hot topics," including:

- Recent activity from the Department of Labor's Wage & Hour Division
- How not to be the next collective action defendant by avoiding:
  - Common mistakes with exemptions
  - "Off the clock" work and other issues with compensable time
  - Misclassifying employees as independent contractors

*This free program is open to in-house counsel only.  
You must RSVP to attend.*
